Complaints

It is MHA's aim to provide the best possible service to everyone using our services. Your feedback is always welcome, and, with your help, we can continue to improve what we offer and the way that we do things.

If you have a concern, please tell us as this is really important to us. Our complaints process has four stages. We accept complaints in any form.

Getting in touch

Often the quickest way to put things right is for you to raise it as soon as possible with the Manager of the local service, who will be happy to address the issue when you raise it, with the aim of providing a satisfactory outcome within five (5) days.

We do appreciate that sometimes this isn't possible and / or if the Manager's response to your complaint is unsatisfactory to you, then you can get in touch with our Customer Services Manager in any of the following ways –

- Telephone 01332 221896
- Email feedback@mha.org.uk
- Webform www.mha.org.uk/contact/feedback/

We will not treat you or your loved one any differently if you make a complaint. We can also accept complaints from people acting your behalf if you'd prefer, we'll just need your permission to discuss it with them.

Our process and timescales: Stage 1

We will log and acknowledge your complaint with the aim of providing a satisfactory outcome within five (5) calendar days.

Our process and timescales: Stage 2

If you believe the Manager's response to your complaint is unsatisfactory you can ask our Customer Services Manager, using the contact details in the 'Getting in touch section' above, to escalate your complaint to Stage 2. We will acknowledge your complaint within five (5) calendar days and let you know *which Area Manager or another senior Manager* will then investigate for you.

We will formally respond to your complaint within fifteen (15) calendar days *of you contacting the Customer Services Manager*.

Our process and timescales: Stage 3

If, after our response you are still dissatisfied, please inform the Customer Services Manager, who will forward the complaint to a relevant MHA Head of Department or Director. We will acknowledge your request for review within five (5) calendar days of you contacting the Customer Services Manager.

We will formally review and respond to your complaint within eighteen (18) calendar days.

Our process and timescales: Stage 4

If you are dissatisfied with the outcome from Stage 3, please inform the Customer Services Manager who will refer the complaint to our Complaints Appeal Panel consisting of a member of MHA's Executive Leadership Team and an MHA Board Member, one of whom may be a person using our service.

The Customer Services Manager will arrange for this to happen within eighteen (18) calendar days of you contacting the Customer Services Manager. The Complaints Appeal Panel will provide our 'final decision' on your complaint. This will mark the end of the MHA complaints handling process.

Exceptions to the normal process

If there is to be an unavoidable delay in meeting any of the deadlines above, the Customer Services Manager will explain why and agree a new deadline for a response with you.

If you remain dissatisfied with the final decision provided by our Complaints Appeal Panel, or we fail to provide that final decision within fifty-six (56) calendar days, you may refer your complaint to the relevant Ombudsman service.

For more information on these organisations, please see the relevant website or ask the local Manager to help you.

Please **note** that *none of the Ombudsmen will not normally consider a complaint until you have exhausted our internal complaints procedure and received our final decision from the Complaints Appeal Panel.* and received our final decision.

In addition, MHA will –

- co-operate with anyone acting on your behalf (in the same way as we would co-operate with you)
- co-operate fully with the relevant Ombudsman during any investigation and comply fully with the resulting decision, which will be binding on us
- provide you with contact details for the relevant Ombudsman. However, we would welcome the opportunity to resolve your complaint through our Complaints Procedure first
