**Respite care per week:** please speak to us about your requirements and length of stay

## Fee reviews and changes

Fees are reviewed annually in April. We may also review our fees at any other time if:

- your care needs (as set out in the Care Plan) change and we make a change to the services you receive
- you request to change the type of room you occupy

We will give you at least 28 days' notice before the revised fees are payable, except where the type of room occupied changes. In this case the change to the fees is applicable from the date you move in to the new room.

Please see our Residential Care Agreement for further information.
