Residential dementia and short-stay care in Coventry

The care home with the *community spirit*

Stepping into Charnwood House, it's not just the inviting architecture or the peaceful local surroundings that make an impression. It's the vibrant energy of a home where residents, families, and staff come together to create something truly special.

Purpose-built for dementia care. Every detail has been thoughtfully designed, from advanced safety measures like discreet fall alarms to the flexibility of unit kitchens that foster a homely atmosphere.

Situated near Jubilee Crescent's shops and just a short drive from Coventry city centre, Charnwood House provides the perfect balance of tranquillity and convenience. Residents also benefit from innovative care features such as music therapy, interactive 'magic tables,' and the joy of robotic pets, which stimulate engagement and wellbeing.

With over 20 years of experience and a strong connection to the local community, Charnwood House is a cornerstone of care. Here, every day is filled with meaningful moments, new memories, and a shared sense of celebration that makes later life truly special.

I love caring for residents, the residents are everything. I'm motivated by supporting them in living later life well.

Gardens

For all seasons

The gardens are more than just outdoor spaces - they're vibrant extensions of the home that offer both calm and connection.

Residents can stroll along safe, scenic pathways, relax on sunny patios, or enjoy meaningful moments with loved ones in our secure, beautifully maintained grounds.

Raised flower beds invite residents to try their hand at gardening, while quiet seating areas provide perfect spots for reflection or social chats, and in summer a stroll through this area comes accompanied with the buzzing of bees and floating floral scents.

Plans for a sensory garden promise to add another dimension to the outdoor experience, engaging touch and smell to bring nature even closer.

Every unit has direct garden access, making it easy for residents to enjoy fresh air and independence at their own pace.

The taste of *home*

Dining at Charnwood House is more than just having a meal - it's about comfort, connection, and creating moments of joy.

As you would expect the menu is shaped around the preferences of our residents, so every dish is fresh, nutritious, and satisfying.

From firm favourites such as daily homemade cakes to themed cultural meals like Jamaican Independence Day. But of course, the traditional favourites are well respected amongst the residents of Charnwood House and that's why Sunday roasts and sticky toffee pudding remain unchallenged on our otherwise changing menus.

Catering Manager Sarah, with over 12 years of dedication, brings passion and expertise to the table, crafting dishes that evoke fond memories and comfort.

With a focus on environment, personalised menus, and inclusion, food at Charnwood House is more than nourishment - it's a way to feel at home, spark conversation, and create cherished memories every day.

Seeing a smile on their faces gives me so much satisfaction.

Support that *speaks for itself*

Charnwood House was purpose-built for dementia care and accommodates up to 65 residents offering privacy through ensuite rooms and connection through bright, spacious communal areas and secure gardens.

We are a welcoming community where residents feel safe, valued, and cared for. Our residents particularly enjoy the interactive 'magic table,' the regular music therapy sessions, and the much-loved robotic pets, all of which bring joy and stimulation to daily life.

We love it when the family and friends come to visit. Our children's corner is filled with toys for visiting grandchildren and we welcome well-behaved pets that provide companionship and comfort. The secure gardens and communal areas are ideal for socialising, relaxing, or participating in group activities.

Absolutely lovely staff, and very professionally run. My mum was well looked after, made great connections with the staff, even though she was only there a short time.

Delights *on your doorstep*

When you think of a care home, what springs to mind?

Beyond the gates, the local area offers opportunities for outings to Jubilee Crescent's shops, Memorial Park for picnics, or the Wallace pub for a friendly lunch.

For anyone who just fancies staying at home, every week brings something new to enjoy, from lively Elvis impersonator performances to Pub Nights that transform the lounge into a buzzing social space with games, music, and a welcoming atmosphere.

Seasonal highlights, such as the summer BBQ and Christmas fair, welcome families and the local community, creating a vibrant and inclusive atmosphere that residents look forward to.

Our activity schedule is packed with baking, crafting, gardening and more, with music therapy and tailored one-on-one activities there to ensure that all residents, including those with specific needs, feel supported and included.

At Charnwood House, every day offers new reasons to smile, connect, and live later life well.

Here *for you...*

Whether you're searching for yourself or a loved one, for short-stays, residential or dementia care, our team at MHA's Charnwood House will be here to help.

We understand that searching for a care home can be a confusing time for any family. So, we hope it's reassuring to know that our doors are always open.

Our advice is always generous. Our residents are always eager to welcome a new character into the fold. And our charitable ethos will always guide everything we do.

Proud to be part of MHA

For more than 80 years, families have been choosing MHA to support the needs and aspirations of their loved ones in later life.

People have been forging friendships through our community programmes. Fundraising to drive our charitable goals. And spreading the warmth, comfort and spirituality that you'll find across every MHA care home, community and development.

It's always for one reason, which will *always* stay the same: helping older people to live later life well.
