

Belvedere Manor care home

A photograph of an elderly Black man with a grey beard and glasses, wearing a light purple button-down shirt. He is sitting in a brown leather armchair, smiling warmly at the camera. His hands are clasped in his lap. To his left is a green potted plant, and to his right is a window showing green foliage outside. A person's hand is visible on the right side of the frame, resting on the arm of the chair.

A wonderful, happy, caring environment where the staff give their all to the residents and get to know them well. My mum spent over three happy years there and truly considered it to be her home.

Gardens that spark *connection and calm*

The wide-open gardens at Belvedere are well landscaped and a very popular space for all our residents. Patio areas with comfortable seating spaces are popular for summer relaxation and of course the occasional afternoon tea in the sunshine.

Everyone has a say in the outdoor seasonal decorations which add a special vibrancy, while gardening sessions in raised beds allow residents to tend to flowers and plants for all to enjoy.

If you would prefer to stay indoors the garden-themed quiet zone on the top floor has been designed so that we can bring nature closer to you.

At Belvedere Manor, outdoor spaces are more than just gardens - they're places to create lasting memories and enjoy the beauty of every season.

Sweet comfort in *every bite*

We even include food into our activities schedule and the "Belvedere Bake Off" is a much-anticipated event for residents, families and team members to show off their baking prowess. We all enjoy eating the entries after judging too.
