Residential, residential dementia and short-stay care in Stockton-on-Tees

# A home with a *legacy of care*

**Our home was purpose-built in 2009, with its design inspired by the founder's desire to create the best possible care environment for her father. Named in his honour, the home reflects its deeply personal and caring roots.**

We are located on the edge of Yarm, a historic market town brimming with local shops, cafés and buckets of village life charm. Residents enjoy the perfect blend of peace and ease, with local amenities and green spaces just a short distance away.

Whether it's spending time in the piano lounge, relaxing in the coffee shop, or enjoying the beautifully landscaped gardens, residents find comfort and connection in every corner of the home.

At Reuben Manor, every detail is designed to make residents feel at home. It's a place where care and connection thrive.

# Gardens for *all seasons*

**The gardens at Reuben Manor are a source of joy and serenity. From the vibrant flowerbeds to the greenhouse and raised beds, every detail invites residents to connect with nature.**

Gardening projects are very popular and include planting everything from colourful blooms to fresh vegetables.

Wheelchair-accessible pathways wind through the outdoor spaces, leading to peaceful seating areas where you can relax with a book or chat with friends. The courtyard garden connects seamlessly to the front garden, creating a beautiful flow of greenery throughout the property.

Seasonal events, like summer garden parties and bonfire nights, bring the gardens to life with laughter and celebration. Whether it's enjoying a cup of tea in the sunshine or watching the birds flit between the trees, the gardens at Reuben Manor are a sanctuary for residents and their families.

# Dining *that delights*

**Mealtimes are about more than just food - they're moments of comfort and connection.**

As you would expect every meal is shaped around the ideas and preference of our residents and freshly prepared using seasonal, locally sourced ingredients, ensuring both quality and variety.

Traditional favourites are firmly respected at Reuben Manor. It's why Sunday roasts remain unchallenged on our otherwise changing menus. Fish and chips are another regular and we are happy to mix things up with special requests, like liver and onions or other nostalgic dishes, all lovingly prepared upon request.

Themed days and celebrations, such as Christmas dinners and Easter treats, add a festive flair to dining. If you fancy a snack during the day a tea trolley regularly circulates with cakes, biscuits, and other delights, while the dementia suite features accessible baskets of treats, encouraging independence and choice.

The meals here bring us together - it's more than just food, it's a part of what makes this place feel like home.
