A photograph of an elderly Black man with a grey beard and glasses, wearing a purple button-down shirt. He is sitting in a brown armchair, smiling warmly at the camera. His hands are clasped in his lap. To his left is a green potted plant. To his right, a window shows a view of green foliage. Gardens that *bring joy*

Our landscaped gardens are a treasured space for residents and visitors alike. With raised beds for planting vegetables, a patio for outdoor relaxation, and a summer house used for gatherings, the gardens offer endless opportunities for engagement and connection.

During warm summer months you will find our residents enjoying themselves pottering in the gardens, planting seasonal flowers and vegetables that bring colour and vibrancy to the space. The outdoor areas here provide space for gatherings and good weather events.

The summer house and secluded seating areas are perfect for a quiet chat and a cup of tea with friends and visiting family. The ground and garden are designed for accessibility, ensuring everyone can enjoy the fresh air and tranquillity.

At Starr Hills, the gardens are more than just outdoor spaces - they're places for residents to find joy, create memories, and connect with nature.
