care home**

*Live later
life well*

Residential, nursing, nursing dementia and short-stay care in Oxford

The home *with the murals*

Situated on the outskirts of Oxford, the home offers a calm and comfortable retreat with views of Gillian Park.

Easily accessible via the A40 and local bus routes, the home is ideally located near cafes, cinemas, and shopping areas, ensuring families can visit easily and as often as they want.

Inside you will find a thoughtfully designed home, our visitors are always amazed when they first come across the hand painted murals adorning the corridors of the upper floor dementia household. Lovingly designed and created by our very talented activities team they not only provide fun decoration but also help residents locate their rooms.

The home is designed across two floors, featuring four welcoming units each offering communal spaces, kitchenettes, and bright dining areas.

Brookfield provides a reassuringly familiar and homely setting where residents feel connected, comfortable, and cared for every day.

FLO'S ICES

Gardens for *all seasons*

The secure, landscaped gardens are a peaceful haven for residents to relax, explore, and enjoy nature.

Raised garden beds provide the perfect space for gardening activities, allowing residents to plant flowers, vegetables, and herbs with support from staff.

Seasonal events, such as summer BBQs and outdoor parties, bring the gardens to life, offering opportunities for connection with family, friends and the local community.

Residents love spending time in these spaces, whether it's for a quiet chat on the patio for a moment of calm in the fresh air or participating in a craft activity.

For those who enjoy wildlife, the gardens are a hub of activity, with birds, butterflies, and greenery creating a sensory-rich environment. With dedicated areas for relaxation and socialising, Brookfield's outdoor spaces are a true extension of the warmth found inside the home.

Dining that *celebrates culture*

**Mealtimes are about more than just food -
they're about creating moments of comfort,
connection, and joy.**

The menus are designed with input from residents, ensuring everyone's favourites are included. Meals are freshly prepared each day, using locally sourced ingredients for maximum flavour and nutrition.

The catering team is led by Trish, who started as a cook and has been part of the home for 12 years. Hailey, our kitchen assistant, brings her own specialties, including apple turnover pies and cakes that are always a hit with residents. Meals such as mince and tatties and cheese on toast remain firm favourites, offering familiar comforts to all.

Our diverse team celebrates cultures and religions, with dishes from around the world adding variety and a sense of home for residents of all backgrounds. Special occasions are marked with personalised menus and themed meals, creating opportunities to celebrate and enjoy time together.

Dining here is an experience that brings smiles to the table every day.

To be able to talk to each of our residents, have a cup of tea, make them feel special, and see them have a purpose means everything and beyond.

Support that *speaks for itself*

Brookfield provides residential, nursing and dementia care, ensuring every resident's individual needs are met with compassion and dignity. With a focus on creating a reassuringly familiar environment, the team works closely with families to develop personalised care plans that reflect each resident's history, preferences, and abilities.

Residents benefit from innovative activities designed to engage and stimulate, such as music therapy sessions and robotic pets. The team also hosts regular residents' meetings and "*You Said, We Did*" discussions, encouraging feedback and collaboration to enhance daily life.

Led by Christine, who has over 49 years of experience in the health care field, the team is known for going above and beyond. Staff from diverse cultural backgrounds bring warmth and understanding to their roles, creating a true sense of family and belonging.

Care is more than just support - it's about helping residents live later life well.

We're here to care for our wonderful residents who all need varying levels of care and support. Some have no family, and we become their family! Others have family, and the family sometimes needs support - me and my staff will go above and beyond to look after the residents.

Christine Hamilton, Home manager

Our commitments to you:

- You'll remain in control of your care and support. Always.
- You'll be supported by a caring, compassionate team.
- You'll benefit from proven and pioneering therapies.

Living later life well

When you think of a care home, what springs to mind?

We are very lucky to have a very talented team who are dedicated to ensuring a diverse programme of activities which are always very creative and tailored to residents' interests. Residents enjoy arts and crafts, movie afternoons with classic and modern films, and animal therapy sessions featuring dogs, owls, reptiles, and even donkeys.

Regular entertainers bring music and nostalgia to the home, performing hits from the 1960s that spark memories and create joy. Our Music Therapist also visits weekly, leading singalongs and 1-2-1 sessions that bring comfort and connection to residents.

Seasonal events like pirate fairs, Christmas celebrations, and visits from Windale School's choir bring excitement, with students joining in for art and other activities. The Hillsong Church choir adds to the joy, making it special for residents.

Brookfield is a place where every day offers opportunities for creativity, laughter, and shared memories, helping residents feel truly at home.

As a volunteer, I see kindness and good humour demonstrated by carers and nursing staff. The creative activities facilitated by the activities team are imaginative and inclusive.

Proud to be part of MHA

For more than 80 years, families have been choosing MHA to support the needs and aspirations of their loved ones in later life.

People have been forging friendships through our community programmes. Fundraising to drive our charitable goals. And spreading the warmth, comfort and spirituality that you'll find across every MHA care home, community and development.

It's always for one reason, which will *a/ways* stay the same: helping older people to live later life well.
