Residential, residential dementia and short-stay care in Burnley

The care home where *life flourishes*

Tucked away in the heart of Burnley, this warm and welcoming home offers the best of both worlds, peaceful surroundings with countryside views and easy access to everything you need.

Whether it's a stroll through Thompson's Park, a visit to Towneley Hall, or taking in the beauty of Pendle Hill, nature is always just around the corner. Shops, cafés, and local attractions are close by too, perfect for days out with family and friends.

Inside, the home is designed for comfort and connection. Purpose-built with four inviting households spread across two floors, each with its own cosy lounge, kitchenette, and dedicated support tailored to individual needs.

There's a genuine sense of community here and residents quickly feel like part of a big family. From the moment you walk through the door, you'll notice the warm, friendly atmosphere that makes this place feel like home.

Since my mother arrived here in April, we have seen an amazing transformation in her. The social integration and activities have brought her so much joy. To see her holding a newborn chick or proudly displaying her flower arrangement was a joy to behold.

Gardens

for all seasons

Step outside and you'll find a garden full of charm, colour, and character, designed for relaxing, socialising, and soaking up a bit of nature.

There's a lovely mix of spaces to enjoy, from quiet corners to areas made for gathering.

A bar, gentle water features, and raised flowerbeds all add to the welcoming feel; while visiting birds and a cheeky family of squirrels bring a bit of extra life to the scene.

Residents with rooms overlooking the garden are encouraged to make their own outdoor patches feel personal - often adding bird feeders, gnomes, and bright bursts of bedding plants to reflect their own style. It's a simple touch that makes a big difference.

Another patio area, complete with extra seating and its own water feature, is a favourite spot for summer get-togethers and relaxed afternoons with family and friends.

Whether it's joining a gardening club or just enjoying the fresh air, this green space is a little sanctuary full of everyday joy.

A taste of *home*

Mealtimes here are about more than just food - they're a time to gather, share, and enjoy home-cooked meals together.

The kitchen team, led by experienced catering manager Tracy, prepares fresh, locally sourced dishes every day, ensuring every meal is both nutritious and delicious.

Residents have a strong say in the menu, with regular feedback sessions influencing the rotating dishes. Favourites include cheese and onion pie, Friday fish and chips, and hearty corned beef hash, while themed food events celebrate everything from Chinese New Year to summer BBQs. The in-house coffee shop serves freshly baked shortbreads, cookies, and pastries daily, offering a sweet treat for residents and visitors alike.

For birthdays and special occasions, residents receive personalised cakes based on their favourite flavours. One resident requested a 100-shaped birthday cake, while another enjoyed mussels in garlic sauce for their special day. Every meal is prepared with care, bringing warmth and familiarity to the dining experience.

What you can expect at Heather Grange:

- Meals are freshly prepared by our in-house chef.

Support that *speaks for itself*

Heather Grange provides residential, dementia, and respite care for up to 70 residents over 2 floors. We are focussed on ensuring every resident receives the personalised support they need in a safe, nurturing environment.

The home's layout is designed to accommodate different levels of care, allowing residents to stay in familiar surroundings as their needs change.

Each household offers private dining and lounge areas, promoting independence while maintaining a strong sense of community. Care is delivered by a dedicated team, many of whom have been at the home for years, building close relationships with residents and families. The open-door management policy ensures that families always feel included and supported in their loved one's care journey.

The staff are always kind, welcoming, and incredibly supportive. Knowing my mum is in such good hands means the world to us.

Living later life well

When you think of a care home, what springs to mind?

Whether it's getting creative with arts and crafts, arranging flowers, or joining in with cocktail-making and cheese and wine afternoons, there's always something to look forward to. Fridays bring a great energy, with friendly get-togethers in the Burnley Bar that residents love.

For quieter moments, there are two cinema screens showing a variety of films, and a welcoming hair and nail salon for a little self-care and relaxation.

The home's Seize the Day programme enables residents to reconnect with meaningful moments from their past. One former professional table tennis player had a table brought in so they could enjoy the game again, while another resident was taken on a special trip to Piece Hall in Halifax, a place full of fond memories.

For those living with dementia, engaging activities like music therapy and interactive sessions with lifelike robotic pets offer comfort, connection, and moments of joyful recognition.

Mum has had a new lease of life and is much more active and alert than before. This is clearly due to the general environment and many social activities that she is encouraged to join in. She loves the place and people.
