- Your care and support needs (as set out in your Care and Support Plan) change and we make a change to the services you receive.
- You request to change the type of room you occupy.
- We will give you at least 28 days' notice before the revised fees are payable, except where the type of room occupied changes. In this case the change to the fees is applicable from the date you move in to the new room.

Please see our [Residential Care Agreement](#) for further information.

We ask that any resident who is self-funding provide evidence that they will be able to pay their fees for a minimum period of two and a half years. Details of the financial information that we require is set out in the Residents Application Form which will be supplied at the same time as this key information document.
