Residential, residential dementia, nursing, palliative
and short-stay care in Henley-in-Arden

The care home where *life flourishes*

Nestled between the beautiful landscapes of Henley-in-Arden and Stratford-upon-Avon, Cedar Lodge is the perfect place to enjoy both peace and connection.

Surrounded by nature's beauty, the home offers a calming atmosphere, while nearby attractions such as Shakespeare's Globe Theatre and the River Avon provide plenty of exciting outings.

We provide residential, residential dementia, general nursing, and palliative care, offering a place where everyone feels supported, valued, and at home, helping create memories to cherish every day.

Our spacious layout and bright communal areas makes Cedar Lodge feel welcoming and comfortable for everyone, whilst our secure gardens and outdoor activities mean there's always a chance to take in some fresh air and enjoy nature in a safe environment.

From the community vibe to the stunning surroundings, Cedar Lodge has a unique charm all its own.

Here at Cedar Lodge I have a brilliant team who will go above and beyond to ensure we are providing the best care for our residents. The support network is amazing, whether it's caring for the residents or helping family members, they are all our family! We have a beautiful culture whereby everybody is welcome and treated with love, respect and dignity.

Gardens that spark *connection and calm*

At Cedar Lodge, the gardens are at the heart of everything we do. Whether it's getting hands-on in the rose garden, picking juicy apples from the orchard, or simply enjoying a sunny afternoon on the patio, there's always something to do outdoors.

Our sensory garden, bursting with colourful flowers and aromatic herbs, all lovingly tended by our residents, is the perfect spot for a moment of peace or a burst of inspiration! And when we throw our seasonal garden parties and BBQs, the gardens transform into a lively gathering place full of fun and laughter.

One of the most special spots is our memorial garden. It's a peaceful space where families can dedicate plaques in memory of their loved ones. Created with care by our maintenance team and volunteers, it's a place for quiet reflection and meaningful connections.

Whether it's soaking up the summer vibes at Henley in Bloom or unwinding in our sensory garden, there's always something to enjoy all year round.

Sweet comfort in *every bite*

For us, mealtimes are more than just about filling your plate - they're about coming together, sharing stories, and enjoying some seriously tasty food. Every meal is made with fresh ingredients, and our menus are shaped by the feedback of our residents, so every dish feels like a personal favourite.

Kevin, our head chef, brings over 35 years of experience to the kitchen and has a real knack for making meals that everyone loves. His deep fried king prawns in a light olive oil batter and salmon dishes, with crispy deep-fried parsley, are a big hit! And let's not forget Jan, our pastry expert, who keeps us all smiling with his delicious cakes and savoury bites.

We love a themed food day at Cedar Lodge, where we celebrate our diverse community with cultural dishes. Staff get into the spirit, dressing up in traditional outfits and even teaching a few dance moves along the way! And when the in-house bar gets involved, you can count on pub quizzes, fun celebrations, and plenty of laughs. It's all about good food, great company, and making mealtimes something to look forward to!

Mum has been there for 15 months and is very happy. She just celebrated her 92nd Birthday and was spoilt with the most amazing birthday cake made by the chefs.

I struggle to put into words quite how grateful we are as a family for everyone at Cedar Lodge. The care they provide my grandmother is simply incredible.

Living later life well

When you think of a care home, what springs to mind?

Whether it's getting creative with arts and crafts, working up a sweat with armchair exercises, baking up a storm, or having a laugh during quiz time, there's never a dull moment. One of the real highlights is our weekly music sessions, from group sing-alongs or a one-on-one jam, these sessions are all about making connections and sparking joy.

We love to celebrate special events like our summer fair and Harvest Festival, where the whole community comes together for a good time. As well as these much-loved events, we also host inclusive BBQs where everyone is encouraged to bring a dish that reflects their culture, bringing together staff, residents, families and the wider community to share food, stories and traditions. And let's not forget Bramble, our beloved furry friend, whose presence as an adorable therapy dog is always a hit with everyone!

We also love getting out and about, with trips to local garden centres, dementia cafes, and nearby churches - giving residents a chance to explore, socialise, and stay connected with the world around us.
