

Weston House care home

*Live later
life well*

**Nursing, nursing dementia
and short-stay care in Stafford**

The care home where *life flourishes*

Weston House is located on the outskirts of the historic town of Stafford, adjacent to the county hospital. Our location offers the reassurance of a well-connected town while maintaining a calm and welcoming community atmosphere.

A particular favourite among our residents and their families is Victoria Park, with its award-winning flower gardens, bird aviary and serene riverbanks.

When not enjoying the local area and the sense of connection that comes from spending time in the community, residents feel at home at Weston House, where they are supported, engaged and encouraged to live fulfilling lives.

On the same site, and connected by a convenient walkway, is our sister care home – Queensway House which offers supported living for adults with mental health needs.

Every day, I feel privileged to support our residents and ensure they feel safe, valued, and truly at home. It means so much to me to create an environment where they're not just cared for, but genuinely happy and able to enjoy life on their own terms.

Ruth Hazeldine, Home Manager

Gardens that spark *connection and calm*

The landscaped gardens provide a peaceful retreat filled with vibrant flowers, raised beds, and a fishpond surrounded by greenery.

Seasonal garden parties and barbecues bring the community together, while the gardens also offer moments of calm for reflection and connection.

The grounds also feature cosy cabins for residents and families to enjoy. One cabin is Moroccan-themed, complete with a rocking chair, log burner, and soft furnishings, offering a peaceful retreat where residents can relax and watch the visiting robin and playful squirrels. Another, the “Candy Cabin,” serves as a traditional sweet shop where residents can indulge in their favourite treats, often rekindling fond memories of years gone by.

At Weston House, the gardens are more than just a space – they’re a source of joy and wellbeing for residents.

Comfort in *every bite*

Mealtimes here are all about comfort, flavour, and bringing people together. With years of culinary experience, our kitchen team creates delicious dishes that residents love, from hearty Sunday roasts to fragrant Moroccan tagines, all freshly prepared each day using locally sourced ingredients.

Menus are regularly updated and shaped by resident feedback, ensuring every plate feels familiar, satisfying, and thoughtfully prepared. The dining spaces are warm and welcoming, making every meal feel like home.

Special themed events, such as Burns Night and Chinese New Year, bring extra colour to the calendar, with decorations, music, and dishes that celebrate different cultures. Residents can also get hands-on during baking sessions, creating everything from biscuits to pastries to share with friends.

Whether it's a savoury favourite or a sweet treat, every mealtime offers more than nourishment – it's an opportunity to connect, enjoy good company, and make each day a little more special.

Living later life well

When you think of a care home, what springs to mind?

Life at Weston House is filled with meaningful moments, designed to spark joy, connection, and a sense of purpose. Activities are tailored to individual interests and needs, helping residents stay engaged in ways that feel familiar and fulfilling. Whether it is crafting festive decorations, planting bulbs for spring, or watching significant events like Armistice Day together, each day offers something special.

Music plays a big part in daily life. Weekly sessions with trained music therapists, lively singalongs, and even spontaneous jukebox-style requests on Alexa devices bring rhythm, nostalgia, and smiles to the home.

Seasonal events are another highlight. From sunny garden parties to beach-themed days complete with deckchairs and mocktails, there is always something to look forward to. These gatherings not only lift spirits but also create opportunities for residents, staff, and families to come together and share in the fun.

With outings to local attractions like the Morris Man pub, a dementia café, and St John's Church, every day offers opportunities to create lasting memories and celebrate life.
